LOCAL HANDS AT WORK TEAM - LOCATED IN LIKASI, DEMOCRATIC REPUBLIC OF THE CONGO

Across Africa, Hands at Work has local teams comprising of Christian men and women who have answered God's calling on their lives to serve the most vulnerable. Each of these teams exist to encourage, challenge and support local volunteer Care Workers as they care for the most vulnerable children in the most broken and desperate communities across Africa. Their goal is to strengthen communities and build their resilience for the future. Some of the activities that the local teams are involved in are:

Ensuring holistic provision of the Three Essential Services to the most vulnerable children

Maintaining relationships with volunteer Care Workers and local church leaders

Supporting training and discipleship activities such as Relationship Groups, Maranatha Workshops and Holy Home Visits
